# SERVICE LETTER

Service Letter No. L234A  
(Supersedes Service Letter No. L234)  
July 10, 2002

TO: All Owners and Operators of Lycoming Reciprocating Aircraft Engines

SUBJECT: Tool Rental Program

Lycoming Engines is pleased to announce a special tool rental program. This program is designed to support your need for special tools required for maintaining Lycoming reciprocating engines. Please check Lycoming Special Tool Catalog SSP-384 for proper tool application.

This tool rental program will be available through the normal Lycoming parts distribution network.

Contact your local Lycoming distributor to arrange for tool rental. Many tools are available for rental on a first come, first serve basis. A rental fee of \$50.00 per tool will be charged. The distributor will provide the factory with customer name and shipping address.

## NOTE

No P.O. Boxes please, as tools will be shipped Federal Express Economy. Shipping charges will be the responsibility of the customer.

Tools must be returned in satisfactory condition, within 30 days domestic and 45 days international. Tools are to be returned, Fed Ex Economy Prepaid to:
